Old Business:

Correspondence:

Rules Violation—St. Michaels was questioned about coach knowingly playing an ineligible player that didn't have enough practices. St. Michaels confirmed this infraction and suspended the coach for two games. The player played in two games that were losses for St. Michaels. The coach didn't see this as an issue and didn't feel that suspension was necessary. League President, Nick Pease, will write a letter to St. Michaels explaining the severity of this infraction and will mention that the league supports St. Michaels suspension and could impose further suspension on that coach if needed.

Basketball:

1. SOP tie breaker worked as planned
2. Discussion on location of District basketball between Deer Park and Reardan. Regional wrestling could be the conflict for Reardan. Further discussion after the tournaments are completed is needed.
3. Agreed that if JV basketball is playing two quarters 10 minute quarters are allowable.
4. Ozzi point structure-5 points for the win and up to 10 points for winning by points up to 10. Discuss with coaches and will revisit in March.

Baseball/Softball: Baseball play-off will work around State FFA scheduling if possible with a pigtail game on May 10th. St. Michaels could be questionable on fielding teams. W-C, Wellpinit and O-H are also questionable about fielding teams.

Track: Pomeroy will compete at district for state seeding. Will research the possibility of having a JH meet at Valley Christian (old Central Valley).

Football: No report
